

Lighting Services, Inc.
77 Park Avenue
New York 10016

Interim Price List

Revision Effective: October 1968
Supersedes all previous price lists.

TERMS	1% 10 days net 30 days from date of invoice. F.O.B. our factory, Haverstraw, N.Y. Prices do not include lamps or any taxes that may be applicable. Prices are subject to change without notice. MINIMUM NET BILLING: \$10.00.
CONDITIONS	All orders must be in writing and to be effective must be acknowledged in writing by our New York office and at the prices shown on our acknowledgment. Our written consent must be obtained in order to cancel any order. In this event, the terms of the cancellation must indemnify us against loss. Orders for special or custom made equipment may not be cancelled. Payment will be due on the date we are prepared to make shipment if the customer, for any reason, requests that shipment be held beyond that date. Payment for partial shipments becomes due as shipments are made.
AGREEMENTS	We will not be liable for losses, damages or delays resulting from strikes, accidents, or other causes beyond our control. Clerical errors are subject to correction. The right is reserved to change specifications of any item without notice and without liability with respect to previous sales. Every effort is made to avoid errors in catalogs, price sheets and forms. However, this company does not hold itself responsible for any errors or omissions.
SHIPMENTS	All equipment will be shipped on a "Freight Collect" basis unless "Prepaid" shipment is specifically requested. In the latter event freight charges will be invoiced. In the absence of shipping instructions, our Shipping Department will use its best judgement. We reserve the right to make partial shipment(s) on all orders.
CLAIMS	All equipment will be inspected for proper packing before leaving the factory. Accordingly, our responsibility ceases upon acceptance by carrier. It is the consignee's responsibility to initiate and carry through all claims for delay, damages to merchandise, or loss in transit, with the carrier. We will render all possible assistance in securing satisfactory adjustment of such claims.
RETURNS	No equipment may be returned without our written consent. The customer must return on a prepaid basis and bear all freight charges. All returned equipment is subject to a minimum 25% service charge plus the cost for placing the equipment in new condition. If equipment is returned for defect in manufacture or errors in shipment, we will issue full credit and no service charge will be levied.
SPECIAL FIXTURES	We will fabricate according to a customer's drawing or to an approved print of our drawing, when accompanied by an order. In the latter case we will submit two prints, one of which is to be returned to us signed and approved. Upon receipt of the approved copy the order will be entered for production. Under no circumstances can we be held responsible for field conditions involving dimensional or other changes.
GUARANTEE	All equipment is thoroughly tested and inspected before shipment. We will replace or repair at our option at no charge any of our products which have been proven to us as defective in either material or workmanship. A claim for such repair or replacement must be made within a period of three months from date of shipment. In accepting this material for repair or replacement, it is understood that this is the limit of our responsibility, and that no other claims, as a result of this defect will be allowed.

Cylinder Series

C150 Cold Light Cylinder

Cat. No.	List Price
